

## CANTON OF VALAIS

With its unique and diverse landscape, the Valais is a land of contrasts: In the mountains majestic four-thousand-meter-high peaks and fascinating glaciers in the valley along the Rhone – along with sprawling vineyards and unspoilt side valleys.

Valais and the sun - a true love relationship with 300 days of sunshine a year in the sun-kissed valley. And just as the sun's rays bathe the wonderful unspoilt countryside with its mountains, meadows, vineyards and trees in a glorious light, you too can recharge your batteries beneath the matchless steel-blue skies of the Valais.
