

IEEE - Institute of Electrical & Electronics Engineers

- **Non-profit professional organization** for advancing technological innovation and excellence
- **400,000 members from 160 countries** (30 % students)
- **38 societies on technical interest**
- **Activities**
 - scientific workshop, conferences, publications, standards
 - database **IEEE Xplore**, 3.5 millions documents, etc

IEEE VPPC'24, Washington DC 2024
300 attendees from 28 countries

IEEE – Vehicular Technology Society

- **Technical topics**
 - land, airborne and maritime services
 - mobile communication, vehicle electro-technology
- **3 publications and 4 annual conferences**
- **Distinguished Lecturer Program**

activities

- EMR summer schools
- etc.

2026 IEEE Vehicular Power Propulsion Conference (VPPC 2026) Lyon – France 19-22 October Chairs : Ali SARI and Rochdi TRIGUI

- Lyon is easily accessible by plane, rail and road
- International Congress Center of Lyon is the ideal site to organize a conference
 - Several starred hotels
 - View over the park and the river Rhône
 - Site dedicated to world-class events
 - Easy access to/from old town (less than 20 min by public transportation)

↳ Lyon classed a **World Heritage Site by UNESCO**

- Ancient capital “Des Gaules”, the city holds 2000 years of history
- A city close to both the mountains and the sea, proximity of most famous French Alps ski resorts (Chamonix Mont-blanc, Val d’Isère, Courchevel,...)
- French City of Gastronomy: 4,300 restaurants in the “Grand Lyon” including 13 of them rewarded by Michelin stars
- Numerous international cultural events
- More than 5.5 million tourists visited Lyon each year
